

This book was made possible through Steve's fantastic photography and Christine's putting together of the collages.

2017 was a year never to be forgotten for the Larsen family. Not only did we add an 8th member to the family--Shallyn Young Larsen--but this was the last year we had all together before both Jared and Christine head off on their missions in 2018. This year Steve continued his work at Reminderband, and Bonnie is still the Master Planner when it comes to coordinating everyone's schedules. She also thoroughly enjoyed planning her first wedding. Rachel knocked out two more semesters at USU, was involved in Institute Choir and LDSSA, and continues to date up a storm. She also took a trip with Dad back to North Carolina to visit her mission. Nathan and Shallyn met, dated, and married and continue school and work at BYU-Idaho. After two more semesters at BYU-Idaho, Christine spent an amazing 4 months in Thailand teaching English at a Kindergarten and traveling in Thailand, Indonesia, and Singapore. Jared was involved in every activity under the sun including Cross Country, Tennis, Magic choir, Reps, and Spanish Club. He also took a trip to Philadelphia and another to Washington D.C. Anne Marie was involved in drama, drama, and more drama. She performed in a Variety Show, Mother Hicks, Annie, and was on stage crew for As You Like It. While busy, we take every opportunity we have to spend together as a family; talking, crying, and laughing.

"We may not have it all together, but together we have it all."
